Breach of this prohibition may constitute an infringement of current laws and may be sanctioned.

In addition to the financial information prepared under International Financial Reporting Standards (“IFRS”), this presentation contains certain alternative performance measures (“APMs”) as defined in the Guidelines on Alternative Performance Measures issued by the European Securities and Markets Authority on 5 October 2015 (ESMA/2015/1415). The APMs are performance measures that have been calculated using the financial information from the Ibercaja Banco Group but that are not defined or detailed in the applicable financial information framework and therefore have neither been audited nor are capable of being completely audited. These APMs are being used to allow for a better understanding of the financial performance of the Ibercaja Banco Group but should be considered only as additional information and in no case as a replacement of the financial information prepared under IFRS. Moreover, the way the Ibercaja Banco Group defines and calculates these APMs may differ to the way these are calculated by other companies that use similar measures, and therefore they may not be comparable. For further details of the APMs used, including its definition or a reconciliation between any applicable management indicators and the financial data presented in the consolidated financial statements prepared under IFRS, please see the consolidated annual accounts as of 31 December 2018 and the corresponding management report available at Ibercaja Banco’s webpage (www.ibercaja.es).
