### **Disclaimer**

Data, estimates, valuations and forecasts, as well as the rest of the contents of this presentation are published for information purposes only. Neither Ibercaja Banco nor any of its directors, managers or employees are obliged, neither implicitly nor expressly, to guarantee that these contents are exact, accurate or complete, to update them or to correct them if they detect any error or omission.

The purpose of this presentation is not to provide financial advice or offer any kind of financial product or service. Ibercaja Banco is not and will not be responsible if any part of this presentation is considered to form the basis of an investment decision. Ibercaja Banco notes that this presentation may contain forward looking statements. It should be considered that such forward-looking statements do not guarantee any future results and are only subjective opinions of Ibercaja Banco in relation to the evolution of its business and as such there may be different criteria, risks, uncertainties and many other relevant factors that may cause it to evolve very differently. In any event, data relating to past performance or profits cannot be relied upon for future performance or profits.

This document has not been submitted to the Spanish Securities Market Commission (Comisión Nacional del Mercado de Valores) for its approval or registration. In any case, it is subject to Spanish law applicable as at the date hereof and is not addressed to any natural or legal person in any other jurisdiction. For this reason, it may not comply with legal requirements of other jurisdictions.

Without prejudice to applicable legal requirements or any other limitations imposed by Ibercaja Banco, it is expressly prohibited any use of this presentation and the distinctive signs or symbols contained therein, including any sort of copy, distribution, transfer to third parties, public communication or transformation, through any mean or medium whatsoever, without prior and express authorization of the respective owners. Breach of this prohibition may constitute an infringement of current laws and may be sanctioned.

In addition to the financial information prepared under International Financial Reporting Standards ("IFRS"), this presentation contains certain alternative performance measures ("APMs") as defined in the Guidelines on Alternative Performance Measures issued by the European Securities and Markets Authority on 5 October 2015 (ESMA/2015/1415). The APMs are performance measures that have been calculated using the financial information from the Ibercaja Banco Group but that are not defined or detailed in the applicable financial information framework and therefore have neither been audited nor are capable of being completely audited. These APMs are being used to allow for a better understanding of the financial performance of the Ibercaja Banco Group but should be considered only as additional information and in no case as a replacement of the financial information prepared under IFRS. Moreover, the way the Ibercaja Banco Group defines and calculates these APMs may differ to the way these are calculated by other companies that use similar measures, and therefore they may not be comparable.

In case of disagreement, the Spanish version will prevail.

### **Business volume**

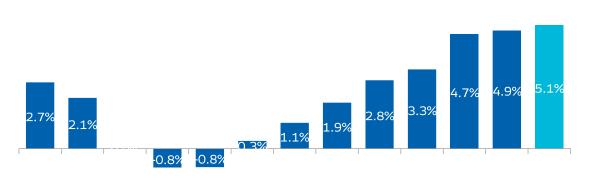

#### Business volume<sup>1</sup>

€bn

## 

#### **Business volume evolution YoY**

% - YoY.

1Q22 2Q22 3Q22 4Q22 1Q23 2Q23 3Q23 4Q23 1Q24 2Q24 3Q24 4Q24 1Q25

Strong commercial dynamism in both lending and customer funds during 2024 and 1Q2025, coupled with a good macroeconomic environment, boost business volume to €105,414m, an increase of 5.1% YoY or €5,110m.

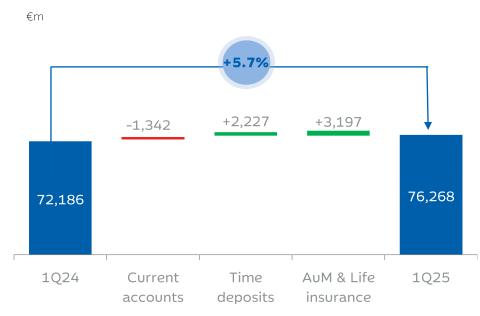

### Customer funds (1/2)

#### **Customer funds**

€m

	1Q25	YoY	QoQ
Customer deposits	34,074	2.7%	-1.6%
Current accounts	28,687	-4.5%	0.0%
Time deposits	5,387	n.a	-9.2%
AuM & Life insurance products	42,194	8.2%	2.5%
Mutual funds	27,705	12.3%	4.0%
Pension funds	6,813	2.6%	-1.1%
Life insurance products	7,676	-0.1%	0.5%
Total customer funds	76,268	5.7%	0.6%

#### **Customer funds evolution YoY**

Customer funds grow by 5.7% YoY or €4,082m, thanks to the good macroeconomic performance and the Bank's excellent commercial activity. On a quarterly basis, customer funds increase by 0.6% or €465m.

- Although the volume of **time deposits** grows in YoY terms, **it decreases by €543m in the quarter** as a result of the adaptation of the Bank's pricing policy and 1Q seasonality. The **cost of new household time deposits** is reduced to **1.3%** vs. 1.5% in 2024.
- The volume of AuM and life insurance increases by 8.2% YoY, thanks to net inflows and revaluations over the last 12 months in mutual funds.

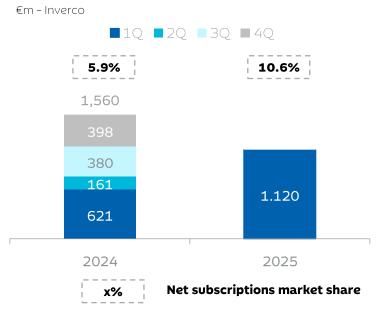

### Customer funds (2/2)

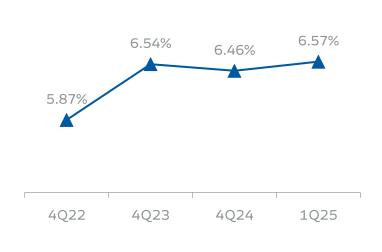

■ Mutual funds ■ Other products 

#### Net subscriptions to mutual funds

#### Mutual funds market share

Mutual funds show an excellent performance in the year with a 12.3% YoY growth (+€3,305m) to €27,705m, driving the good performance of AuM and life insurance products.

- Ibercaja manages to attract €1,120m in net subscriptions to investment funds in 1Q, 10.6% of total new inflows in the system and 80% higher than subscriptions in the same period of 2024, thanks to the intense activity of the commercial network, making it the 2<sup>nd</sup> national institution in terms of net inflows.
- The Entity channels the maturity of time deposit and the growth of household savings into investment funds.

This allows to increase the market share by 11 bps in the quarter to 6.57%.

### **Customer loans**

#### Performing loans ex repos

€m

	1Q25	YoY	QoQ
Loans to households	19,125	1.3%	0.4%
Mortgages	17,486	1.3%	0.4%
Consumer loans and others	1,639	1.2%	-0.5%
Loans to companies	8,775	6.2%	-1.5%
Non-real estate companies	7,607	5.2%	-2.3%
Real estate companies	1,167	13.2%	4.5%
Public sector and others	1,246	28.4%	08%
Performing loans ex repos	29,146	3.7%	-0.2%

#### Performing loans evolution

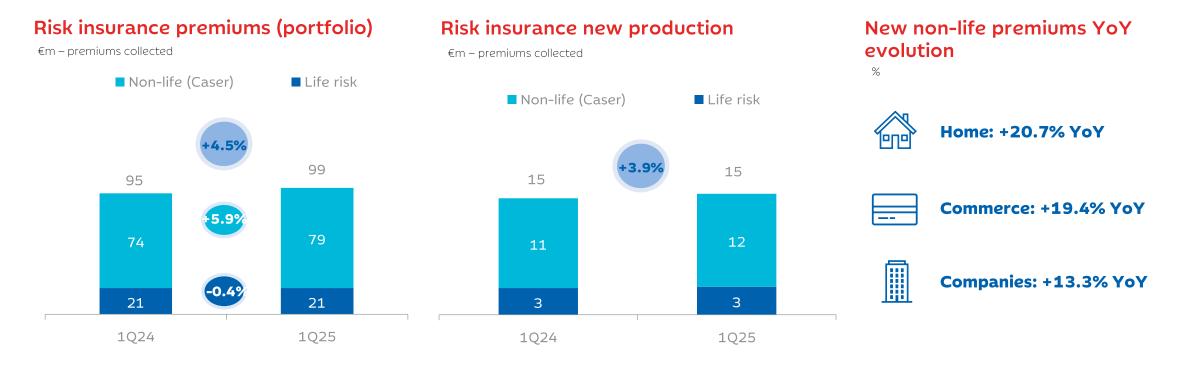

Performing loans excluding repos grow by 3.7% YoY or €585m thanks to the turnaround in mortgages and dynamism in companies. On a quarterly basis, performing loans ex repos fall by 0.2%.

- The mortgage portfolio grow by 1.3% YoY, compared to a 2.2% YoY decline 12 months ago, thanks to the good performance of new lending. In 1Q2025, the volume of new mortgates grow by 42.8% YoY to €563m.
- In companies, the portfolio increases by 6.2% YoY vs. +0.9% YoY in 1Q2024. In non-real estate companies, the portfolio grows by 5.2% YoY vs. stability YoY in 1Q2024. This growth is supported by the traded volume of working capital, which grows by 7% YoY in 1Q2025 to €2,670m. Total lending to real estate companies grows by 13.2% YoY or €116m, thanks to the greater dynamism of new production (2.4x higher than the amount of 1Q2024).

### **Risk insurance**

The risk insurance portfolio increases by 4.5% YoY to €99m thanks to the good performance of non-life, +5.9% YoY.

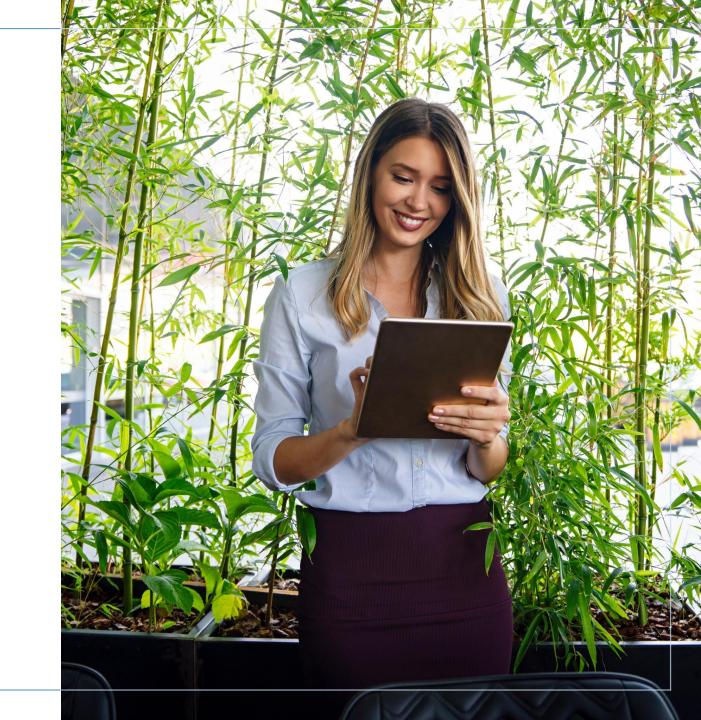

New insurance production grows by 3.9% YoY.

• Strong YoY performance in home +20.7%, commerce +19.4% and companies +13.3% portfolios.

03.

**P&L Account** 

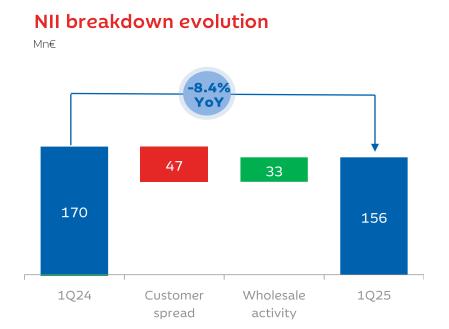

### 1Q2025 Results

	1Q2024	1Q2025	YoY
Net Interest income	170	156	-8.4%
Net fee income	116	124	6.5%
Net income under insurance contracts	35	33	-6.5%
Recurring revenues	322	313	-2.8%
Gains/Losses on Financial Assets and Liabilities	-8	1	n.a
Other Operating Income (Net)	-27	15 <sup>1</sup>	n.a
Gross Operating Income	287	328	14.4%
Operating expenses	-164	-175	6.7%
Pre-Provision Profit	123	154	24.7%
Total Provisions	-20	<b>-29</b> <sup>2</sup>	49.1%
of which: Loans and Foreclosed Assets Provisions	-17	-14	-17.8%
Other Gains and Losses	1	1	62.4%
Profit Before Taxes	105	126	20.4%
Taxes	-47	-41	-11.8%
Net income	58	84	46.7%

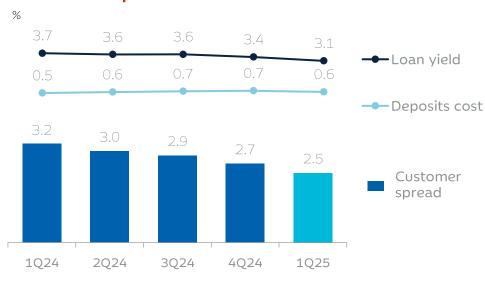

<sup>&</sup>lt;sup>1</sup> The €42m YoY variation includes €40m of bank levies counted in 1Q2024 <sup>2</sup> In 1Q2025, an expense of €10.5 million was recorded under the heading "Provisions" as the best estimate of the tax corresponding to this year

#### **Net Interest Income**

#### **Customer spread**

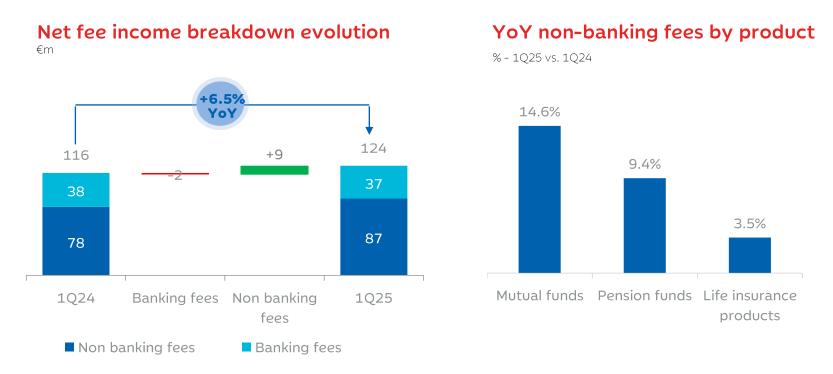

Net Interest Income accounts for €156m, which means a decrease of 8.4% YoY, in a falling interest rate environment. Euribor 12m went from 3.7% in 1Q2024 to 2.4% in 1Q2025 (-1.2% YoY).

- Customer spread goes down to 2.5%. Loan yield stands at 3.1% (-0.6% YoY) with the fall from the highs of 1Q2024 being much less pronounced than market rates due to the lower sensitivity of the loan portfolio than the one shown historically due to the higher weight of fixed-rate lending. The cost of deposits falls in the quarter to 0.6%.
- The decline in customer spreads (-€47m YoY) is partially offset by a higher contribution from wholesale activity (+33Mn€) thanks to a
  better contribution from treasury (+€16m) due to the growth of customer deposits and a significantly lower cost of wholesale funding
  (+€13m).

### Net fee income

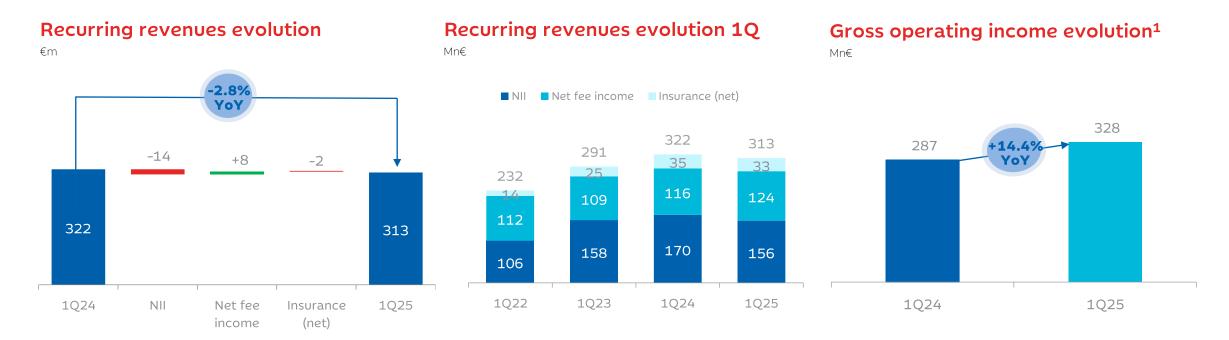

Net fee income increases by 6.5% YoY or €7.5m YoY explained by the good performance of non-banking fees. QoQ, decreases by 1.8% due to the seasonality of 1Q.

- **Non-banking fees** increase by **11.7% YoY**, mainly due to the higher volume managed in AuM products and growth in the risk insurance portfolio (non-life). **Mutual funds fees** increase by **14.6% YoY**, following the exceptional volume of net inflows and positive market impact last year.
- Banking fees decrease by 4.0% YoY due to the adjustment of tariffs in strategic customer segments.

### Recurring revenues & gross operating income

Resilience in recurring revenues thanks to the diversification of Ibercaja's business model, which partially offsets the fall in NII.

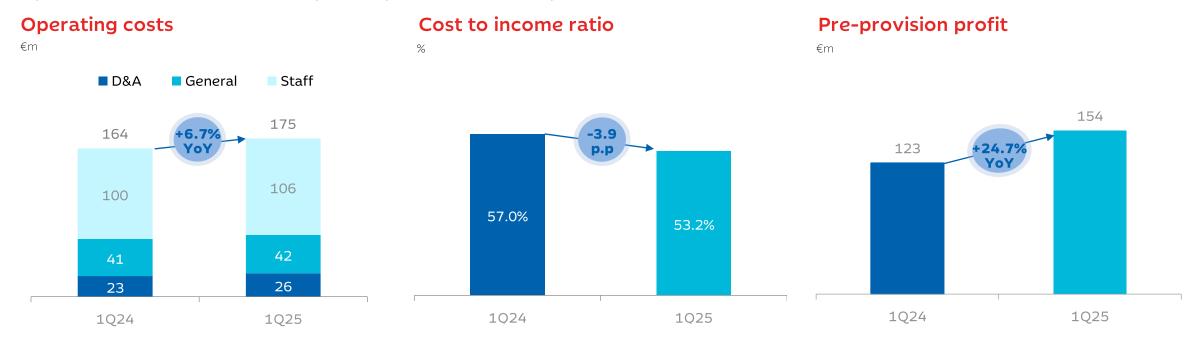

In 1Q2025, the volume of recurring revenues was 35.0% higher than in 1Q2022, before the start of the interest rate hikes.

Gross operating income increases by 14.4% YoY to €328m thanks to regulatory changes in bank levy².

• Excluding the 1Q2024 banking tax expense (€40.5m), gross margin is flat (+0.3% YoY).

### Operating costs & pre-provision profit

#### Operating expenses are up by 6.7% YoY or €11m to €175m.

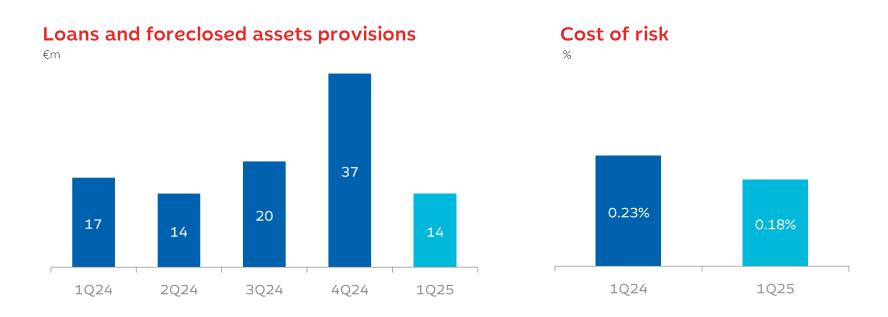

• Nearly 60% of the evolution is explained by **staff costs**, which increase **6.3% YoY**, due to the application of the Collective Agreement and the average increase in workforce. **Depreciation and amortization costs** increase by **13.6% YoY** due to intangible assets following the investment made in the recent past.

Cost to income ratio continues to improve and stands at 53.2%.

**Pre-provision profit grows by 24.7% YoY to €154m.** 

### Loans and foreclosed assets provisions

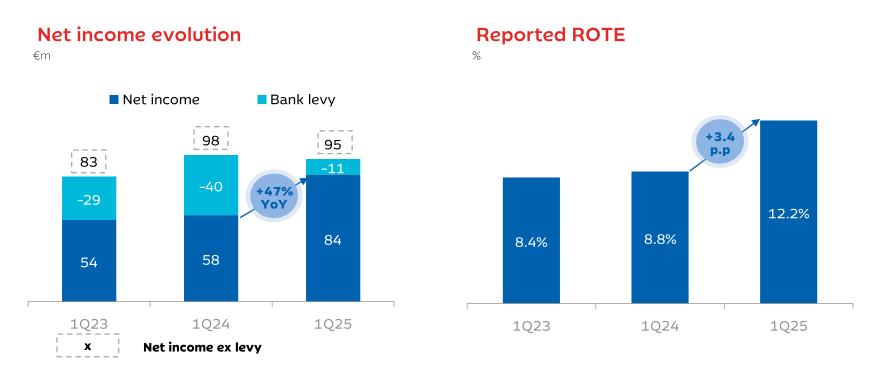

Loans and foreclosed assets provisions stand at €14m in the period, 17.8% lower than 1Q2024.

The cost of risk as of 1Q2025 stands at 18 bps, as a result of the good performance of the Bank's loan portfolio. In 1Q stand alone,
 NPAs fall by 5.8% QoQ and NPA coverage ratio increases by 2.3 p.p in the quarter to 83.5%.

By March 2025, Ibercaja maintains stable in the quarter total provisions (PMA) of €54,8m due to the uncertainty generated by the macroeconomic outlook and existing geopolitical risks and their potential effect on the loan portfolio.

### **Net income**

Reported net income increases 46.7% YoY in 1Q2025 to €84m.

Excluding the impact of the levy, Ibercaja's net income remained practically flat (-3.2% YoY).

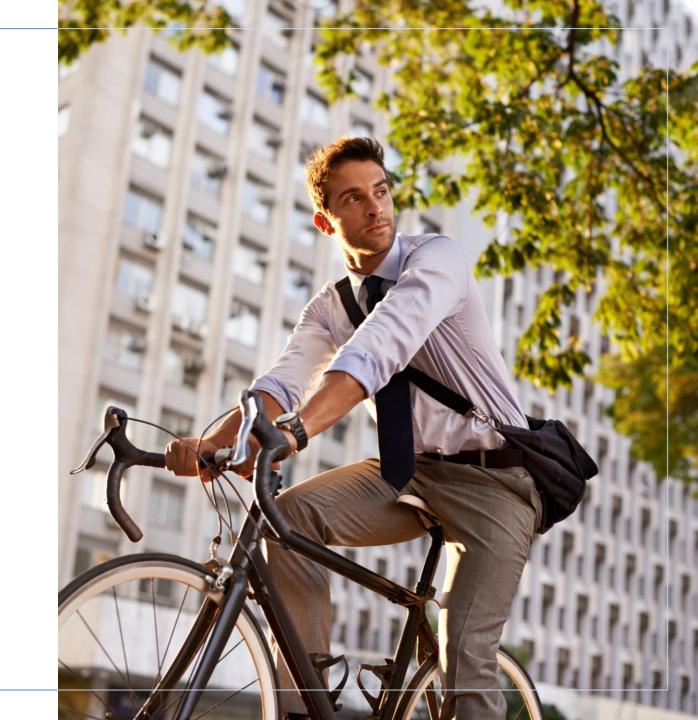

• The high diversification of Ibercaja's business model and the extraordinary evolution of asset quality explain the resilience of the income statement in an environment of falling interest rates.

ROTE continues to improve, reaching 12.2% in 1Q2025, +3.4 p.p. compared to 1Q2024 and 2 p.p. above the target set in "Ahora Ibercaja" Strategic Plan (>10%).

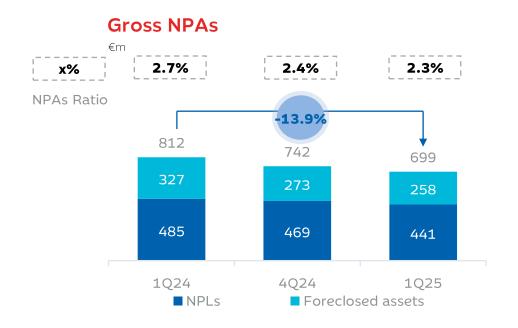

04.

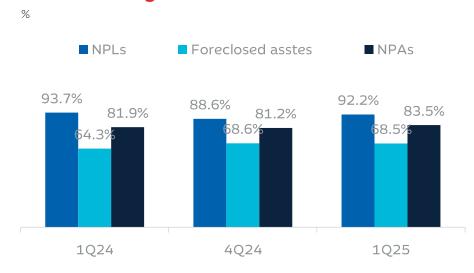

Asset Quality, Liquidity and Solvency

### **Asset quality**

#### NPAs coverage ratios

The volume of NPAs falls by €113m or 13.9% YoY, and the NPA ratio stands at 2.3%. On a quarterly basis, NPAs fall by 5.8% or €43m.

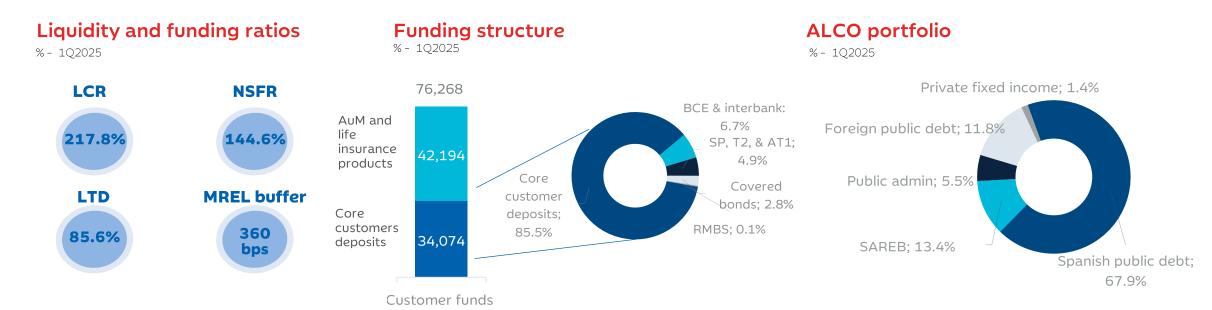

- NPLs decrease €44m YoY or 9.1% thanks to the good performance of NPLs entries, which fall by 48.6% YoY, and a high effectiveness in the recoveries, which increase by 5.2% YoY. NPL ratio stands at 1.5% and Ibercaja increases its positive gap vs. the sector to 184 bps¹
- Foreclosed assets fall €69m YoY, or 21.1% YoY, thanks to reduced inflows and high effectiveness in recoveries.

NPAs coverage ratio stands at 83.5% (92.2% NPLs and 68.5% foreclosed assets).

Net NPAs stands at €115m, representing 0.2% of total assets, one of the lowest in the Spanish financial system.

### **Liquidity and ALCO portfolio**

#### Ibercaja maintains a strong liquidity and funding position, with a highly granular deposit base.

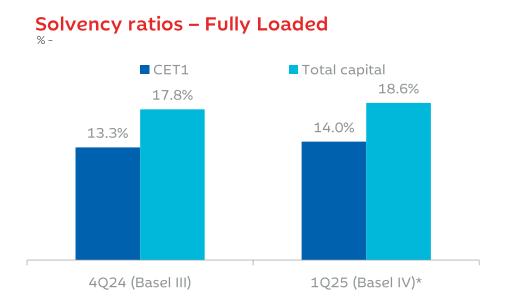

- LCR ratio reaches 217.8%. Liquid assets stand at €12,592m, 23.7% of total assets.
- Core customer deposits account for €34,074m, 85.5% of Ibercaja's total external funding.
- LTD ratio stands at 85.6% and NSFR reaches 144.6%.
- MREL ratio stands at 24.9% and Ibercaja maintains a buffer vs. requirements of 360 bps¹.

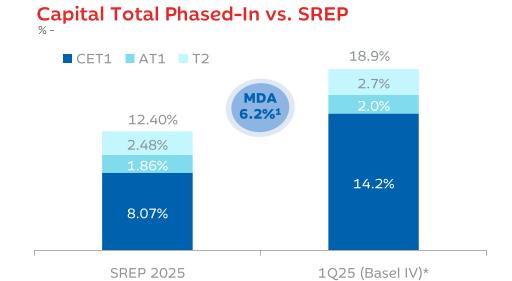

#### ALCO<sup>2</sup> portfolio decreases by 1.9% QoQ to €9,938m.

Spanish public debt represents 67.9% of the total portfolio. 92.6% of the ALCO portfolio is classified as high-quality liquid assets (HQLA).
 The duration is 2.1 years<sup>3</sup>.

<sup>&</sup>lt;sup>22</sup> <sup>1</sup> Requirement valid until 01/10/2025, date on which the CCyB established for exposures in Spain (0.5%) will additionally be required. Estimated data at the end of 1Q2025 subject to validation by the Bank of Spain in accordance with current regulations; <sup>2</sup>Excludes insurance activity; <sup>3</sup>Includes interest rate swaps

### **Solvency**

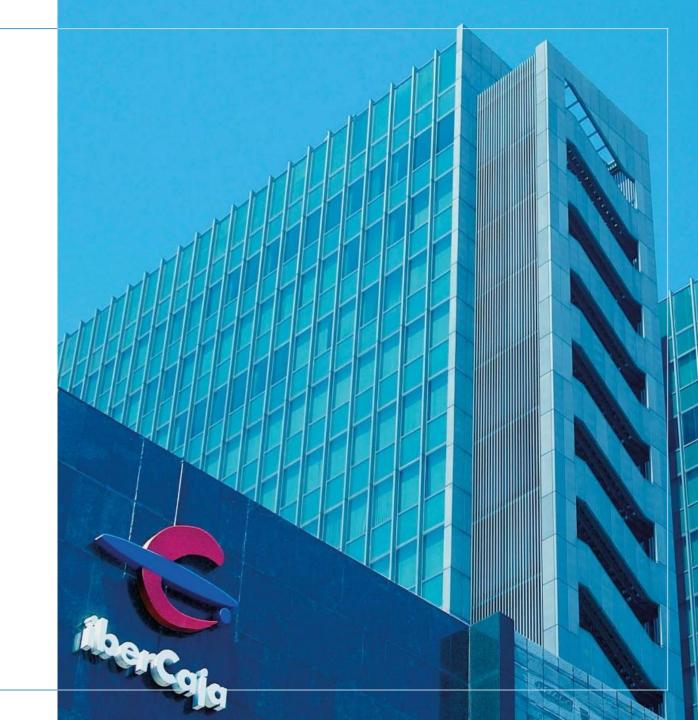

The strong profitability of the quarter with a payout contained at 40% and the first application of Basel IV allow for a significant increase in solvency levels.

- CET1 Fully Loaded increases to 14.0%\*.
- Total Capital Fully Loaded reaches 18.6% (18.9% Phased In)\*.
- Ibercaja has an efficient capital structure, and its MDA ratio stands at 6.2%1.

05.

Annex

### Ibercaja's recent rating evolution

Moody's

**Fitch**Ratings

**S&P Global** 

Baa1 / Stable

**BBB+ / Stable** 

February 2025

**BBB / Stable** 

**March** 2025

Ibercaja continues to improve its credit rating with two rating upgrades in the first quarter of the year driven by the structural improvement in the Bank's profitability and capital levels and good performance of its asset quality; as well as the improved Spanish banks operating environment.

- Fitch Ratings upgraded the rating to BBB+/Stable from BBB/Stable.
- **S&P Global Ratings upgraded** its rating to **BBB/Stable** from BBB-/Positive.

### **Sustainability**

- ESG strategic lines for 2025 defined, with a focus on risk management and business strategy, adapting
  progress to new regulatory and supervisory requirements.
- ESG managed assets stands at €5,558m in 1Q2025 (+63% vs. 1Q2024)
  - Launch of new investment funds and a new pension plan: Ibercaja RF Horizon 2030, Ibercaja RF Flexible
    (for private banking customers) and the Ibercaja Horizon 2030 Pension Plan. These products seek to
    extend durations by taking advantage of yield curves through companies with good credit quality and good
    sustainability performance.

• Ibercaja Sustainable and Solidarity Investment Fund and the Ibercaja Sustainable and Solidarity Pension Plan have distributed €225,000m in 1Q2025 to educational and employment training activities for vulnerable groups, comprehensive assistance for people at risk of social exclusion, support for young people in mental health and care for people with ASD.

- o The donation is part of the **"Tu Dinero con Corazón"** initiative: since 2020 these products have distributed 4,400,000€ among 130 social and environmental projects.
- A new health insurance policy has been launched aimed at people over 60 years of age who want to quickly obtain a diagnosis for new pathologies: Caser Salud +60

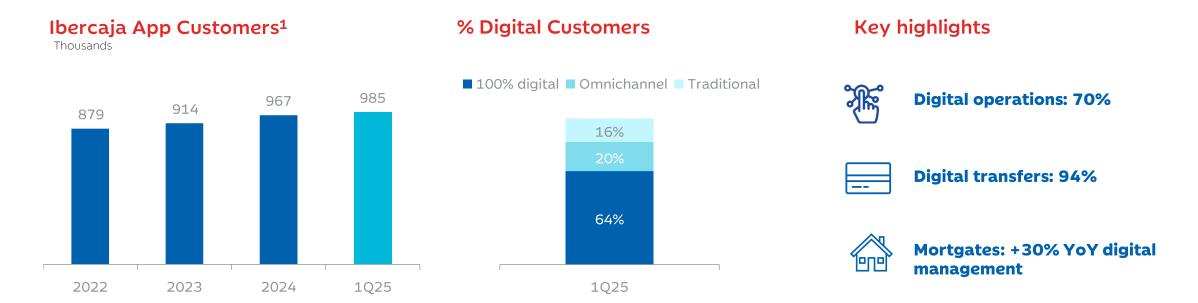

The bank has taken a new step in relation to disclosure and transparency in the field of sustainability by publishing the Consolidated Statement of Non-Financial Information following the criteria of the European Corporate Sustainability Reporting Directive (CSRD).

• Disclosure under CSRD requires the preparation of a Double Materiality Analysis to identify the sustainability issues most relevant to the entity and structure the report following the European Sustainability Reporting Standards.

### **Digitalization**

The growing trend in the number of customers using the Ibercaja App continues, with a 3.0% increase in the quarter to 985,000.

- Digital customers account for 64% of the total base, with an additional 20% being omnichannel customers.
- Improvements and functionalities have been incorporated into digital channels to enhance customer experience.

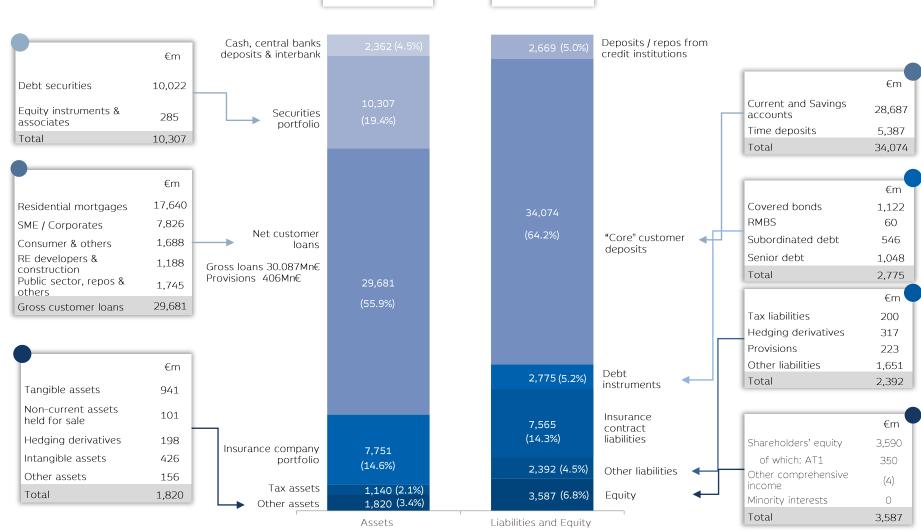

With respect to transactions, 70% of operations are carried out through digital channels.

• Transfers are the most performed transaction, reaching 94% of the total in digital channels, and the management of digital mortgage leads has increased by 30% YoY.

### **Balance sheet**
